

# Inland Marine

**International Marine Underwriters® (IMU) specializes in inland marine products\* for targeted classes of business.** We deliver creative solutions that fit our customers' unique needs through tailored coverage forms, specialized risk control and claims-handling capabilities.

Our inland marine programs can insure property on location, in transit, or property of others in your care.

As a longtime leader in the industry, our exceptional expertise means you will receive tailored coverages to handle your particular risk exposures. And IMU's regional, full-service focus means our network of professionals know the local environment and can respond quickly. Add in financial stability and our strong relationships with local agents and brokers, and you have a comprehensive, dependable inland marine protection that helps you maintain your competitive edge.

## Why IMU?

- Low minimum premiums
- \$100,000,000 in-house capacity

- Admitted paper available in all states
- Underwriting expertise with quick turnaround time
- Ability to combine multiple coverages including related property, crime, and auto
- Ability to manuscript forms and endorsements for unusual risks

Our solutions are available for a wide variety of classes including, but not limited to:

- Builder's Risks: new construction and renovation; single shot and master programs
- Homebuilders: tract home developments and custom homes

- Contractor's Equipment: coverage for equipment ranging from dozers, to cranes, to well servicing and drilling rigs
- Fine Arts: including dealers, galleries, museums, private collections and artists; ground-up and excess placements
- Motor Truck Cargo Liability: specializing in small to mid-sized fleets
- Transportation: direct damage coverage for cargo
- Difference in Conditions (DIC): non-hazardous flood and earthquake
- Installation: job specific and floaters
